Club Officer Nominations for 2011

Norm Larabee

PSRG is quite fortunate to have another fine group of volunteer members who are ready, willing and able to serve as Club Officers and to take on the leadership of our club for 2011.

The following nominations were announced and accepted by the members present at our October 2010 general meeting. During the meeting, there were no additional nominations from the floor prior to the nominatins being closed.

The only position that was not filled at that time was the important position of club secretary. Right after meeting adjournment Ken Stobbe stepped up and told the Nominating Committee and our President that he would be honored to serve as Club Secretary in 2011 - - - Thank you Ken!

Chuck Mcleod went down to Swedish Hospital on the 12th and got some fixin' on his back. He is doing well, spent one night in the hospital and went home ASAP after that. As of the 20th he is sounding great, Karen wishes he was out of the house and working on his V-8's, and he hopes to see us all at the Banquet.

If you know of any club member who could use a card of sympathy or "cheering up", or a bouquet of flowers, anything along that line, please let me know, either by phone 360-387-1580 or e-mail camanodick@live.com. Thanks

Bob Heckel

Greetings,

The final vote on Relocation was:

- Luther Memorial Church 41
- National Guard Armory 6
- Nile Country Club 2
- Mercer Island Community Center 1

50 people is an excellent turnout for us and an 81% vote for "The Church" is a clear statement.

Thanks to Bruce Anderson and Phil Howard and the entire Relocation Committee. A special thanks to Bill Meade for his work as liaison with "the Church." And we shouldn't forget Gerry Herber, Chuck McLeod and Bruce Anderson, the Questionnaire Committee who kicked the process off.

The November 2nd General Meeting will be held at Luther Memorial Church. Normal 7:30 start time and Meeting structure. We have elections and a program which should be a lot of fun.

As we move into a new location there are some things we should consider. Norm Larabee has provided information on "The Church's" location, check your map, GPS or whatever and allow yourself plenty of time. Also, we need to respect the Church's property and find out what we can do and can't do, what we should and shouldn't do and finally what we can and can't use. I'm sure Bill and Laurie Meade will help us out here.

One other item of good news---Ken Stobbe volunteered to run for (be) Secretary. **Thanks, Ken**

I planned to include a list of nominees for the Club Awards, but the list is to long! And, unfortunately no one has stepped up to take on the Newsletter---yet?

As excited as we are about moving, it is hard not to be sad about leaving the Armory. Sharon and I have been members of PSRG for 17-18 years. We've had a lot of good times at the Armory, met a lot of nice people and leaving brings to mind PSRG'ers such as Greg Bisson, Red Smith and Dave Arnold who are no longer with us.

Bob

2010 CLUB AWARDS

We will handle the balloting for Club Awards just as we do the election of the Board of Directors. There were blank information forms available at the September and October General Meetings. Completed form(s), stating your reason for nominating a particular candidate were turned to the acting Secretary at the September or October General Meeting. Nominations were closed after the October General Meeting and a ballot is being prepared so voting can take place at the November General Meeting.

Here are the three Awards;

RESTORATION: This award goes to a person who is actively involved in the restoration process, either by accomplishing a partial or total restoration of a 1932 - 1953 Ford, Mercury or Lincoln vehicle and related products or by providing input and assistance for the benefit of other members of the Club.

INSPIRATION: This award goes to a person who influences and motivates fellow Club members to achieve higher goals. Inspires you to start or finish a project or attend Club functions.

PARTICIPATION: This award goes to a person who faithfully attends Club activities, Club meetings and donates his/her time and energy to make the functions of the Club better for all.

There are many Club members who have made a substantial contribution to the Club this year. Give this some thoughtful consideration so we can recognize and reward the most deserving people.

GENERAL MEETING NOVEMBER 2nd - PSRG'S SILENT AUCTION

The purpose of this event is to have fun and raise money for the U.S. Coast Guard Family and Friends Holiday Stockings for Homeless Children. The funds are used to buy age appropriate things for stockings for children in shelters 0-18 years of age. Also, a few stockings for kids living on the streets which are distributed through established organizations.

How will it work? Instead of donating money, bring an item(s) from home or buy an item(s). Something you think a PSRG'ER would find interesting.

What should I bring? An antique, collectible, handicraft, something you made, something new or a gift certificate. You can package more than one article into a biddable item. These items will be displayed on a table so they need to be relatively small, light and CLEAN!

What kinds of things should you consider bringing? Think of what is popular at our Christmas Gift exchange. Here are a few ideas: automobilia, gas station items, auto literature, books, tools, Christmas ornaments or other holiday gifts, caps, interesting white elephant items with a wide appeal. (See picture of items auctioned off by another club.)

Value of the item: keep in the \$5.00 to \$25.00 range.

What should I not bring? That's hard to answer but items with limited appeal such as clothing and car parts. Remember, anything that does not sell, the donor takes home.

Try and get to the Meeting a little early. Someone will help set your item up. They will need to know what the starting price should be, so give that some thought before hand.

Bidding will start as soon as items are displayed. The starting price will be listed on the bidding sheet. Bids will be in increments of \$2.00! Bidding will cease during the business portion of the Meeting and resume afterwards. Bidding will end at approximately 9:00. You can pay for your items you purchase by check or cash.

Think about it. The more people participating with creative/interesting items the more fun we'll have and the more money we'll raise for charity.

Newsletter Editor Needed!

Current editors are retiring effective December 31, 2010.

Newer system for printing and mailing makes it easier and less time consuming than in years past.

Will help train. Contact any Officer or Board Member

Due to the relocation information, there was not enough room to include information on the Tour of the year which saw PSRG occupy 30 rooms and temperature in the 80's or the October meeting Show and Tell. Details and pictures are planned for the December issue.

As your editors will be unable to attend the first meeting at Lutheran Memorial Church we would like to have comments and photos regarding first impressions of our new meeting location.

Regarding the position of Newsletter Editor" we have been looking into outsourcing. It would work something like this. (Details depend upon final choice).

All information must be submitted via email. The new editor would compile the information and get it sent out.

We have included a couple of samples of what the new editors would produce. Because there is an abundance of Spanish speaking unemployed the first sample is Spanish.

Como sus editores no podrá asistir a la primera reunión en la Iglesia Luterana del Memorial, nos gustaría tener comentarios y fotos sobre las primeras impresiones de nuestra nueva ubicación de la reunión. Fall Banquet News

Please join us for an evening of fun, food, and friendship on Saturday, November 20th, at the PSRG Fall Banquet "Happy Daze Happening on the Skansonia".

The Skansonia was built in 1929, in Gig Harbor, and used for the run between Point Defiance and Gig Harbor. This beautiful old ferry was retired from service in 1971, and now serves as a premier event facility on North Lake Union.

In celebration please wear attire from the 50's; prizes will be awarded to those "best dressed".

We are featuring a slide show from the past of club members, and request that you send photos of yourself from your teen years (or thereabouts), to Pam Generaux @ 2217 Everett Ave East, Seattle 98102; or e-mailed to generaux@msn.com, or bring them to the November club meeting. All photos will be treated with care and returned.

Norm Larabee was kind enough to prepare the drawing, below, of the layout of the Luther Memorial Church where our meetings will be held until further notice.

For a future issue of Puget Sounds it would be nice to include members fond or not so fond memories of the Armory. PSRG met there for so many years there must be multitudes of thoughts that can be shared. Please email psrg18newsletter@msn.com or mail to the editor.

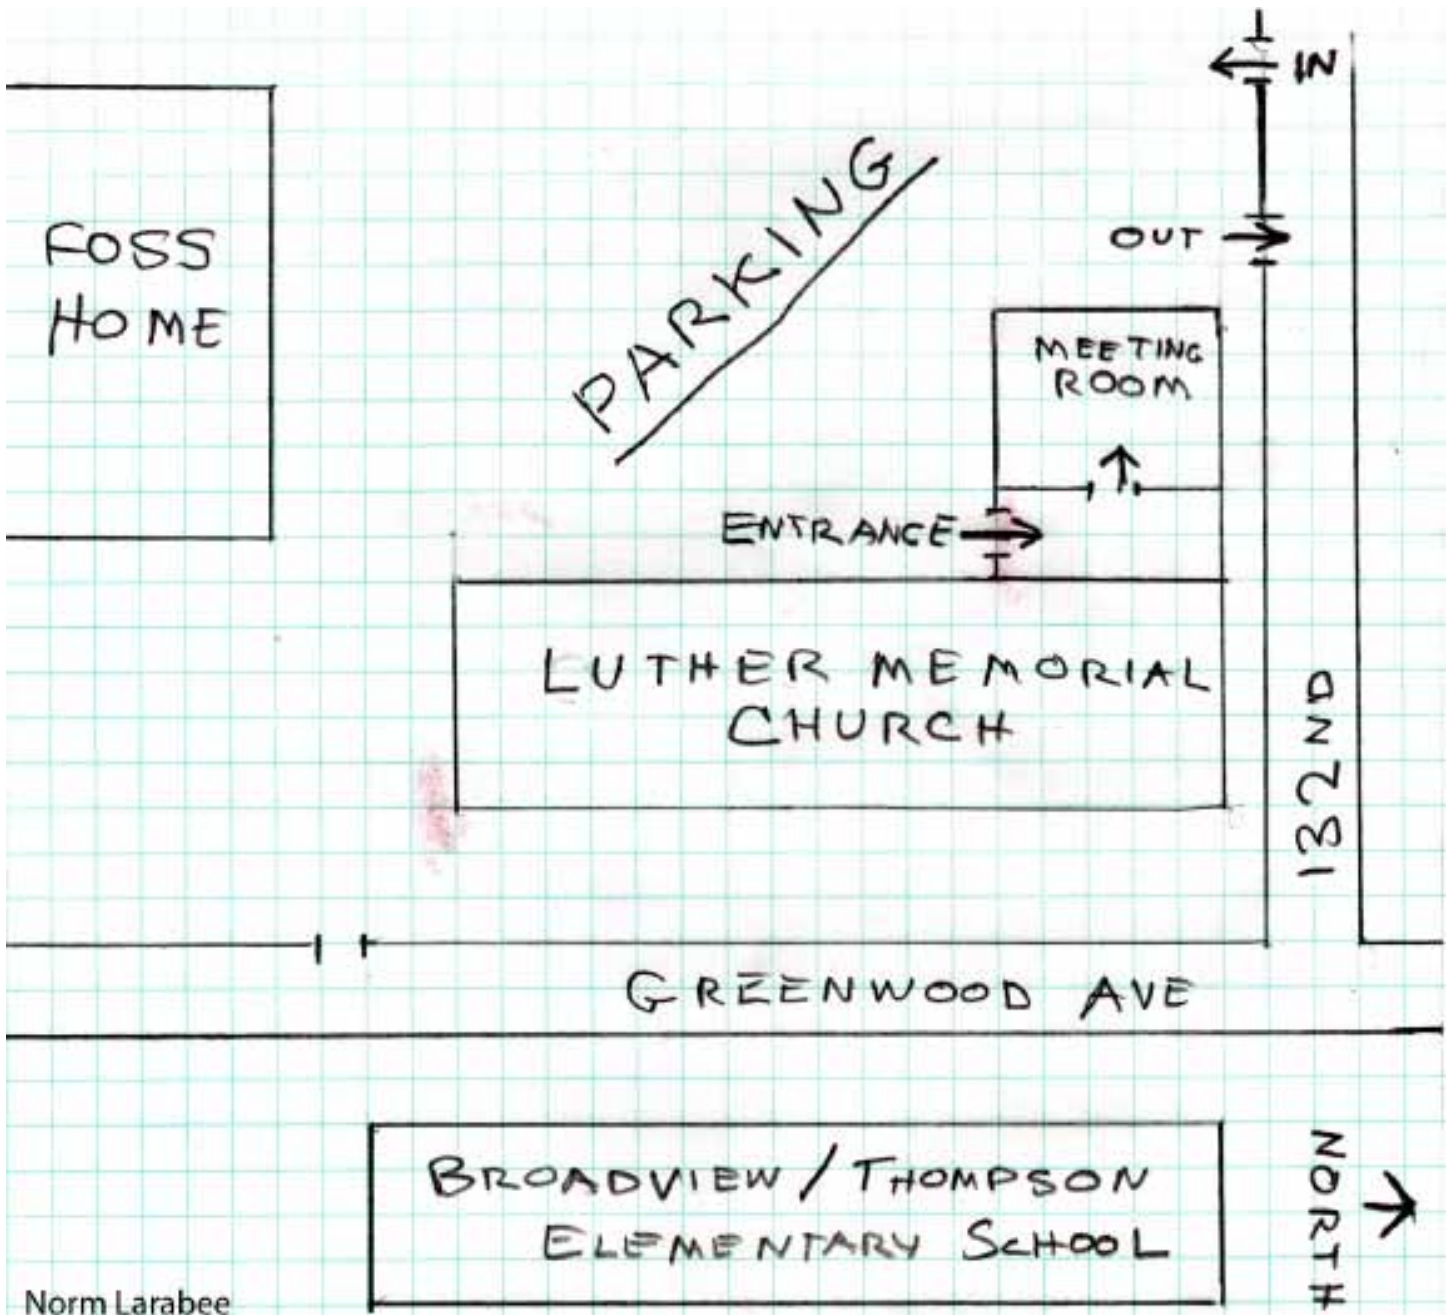

Know of any members that do not get the email version of the newsletter? Let them know of the move as bulk mail delivery of the printed version is somewhat unpredictable and may arrive after the meeting.

2011 Bellevue "All Makes" Ford Picnic

Bruce Anderson has completed the arrangements for the picnic which will be held June 2, 2011 at Bellevue College. (First Sunday of June)

PSRG is looking for a replacement for chairman Bruce Anderson.

Bruce has documented all of the process and will teach anyone that is interested in assuming this job. With the documentation and the arrangements made at the college the job will be much easier and less stressful to learn and perform this valuable service to your PSRG.
